BLUE RIDGE MOUNTAIN HOME

Verse:

1 4
There's a well beaten path on this old mountainside
5 1
Where I wandered when I was a lad
1 4
There I wandered alone to the place I call home
5 1
In those Blue Ridge hills far away.

Chorus:

1 4
Oh I love those hills of old Virginia
5 1
From those Blue Ridge hills I did roam
1 4
When I die won't you bury on the mountain
5 1
Far away in my Blue Ridge mountain home.

Verses:

Now my thoughts wander back to the ramshackle shack,
In those Blue Ridge hills far away.
My mother and dad, they're laid there to rest,
They are sleeping in peace together there.

I return to that old cabin home with a sigh,
I've been longing for days gone by.
When I die won't you bury me on the old mountainside,
Make my resting place upon the hill so high.

Wanna go back to Tennessee.

My friends all turned their backs on me.

Last night, as I lay sleeping,

I dreamed I held you in my arms.

I was lookin' through prison bars.

DARK AS A DUNGEON

Verse:

1 4 2
Come listen you fellows, so young and so fine,
1 4 1
Oh, seek not your fortune in the dark dreary mine.
1 4 2
It will form as a habit and seep in your soul,
1 4 1
‘Till the stream of your blood is as black as the coal.

Chorus

5 1
It’s dark as a dungeon and damp as the dew,
5 1
Where the danger is double, and the pleasures are few.
1 4 2m
Where the rain never falls and the sun never shines,
1 4 1
It’s dark as a dungeon way down in the mines.

Verse

**It’s a many a man I’ve known in my day,
Who lived just to labor his life away.
Like a friend with his dope, and a drunkard his wine,
A man will have lust for the lure of the mine.**

**The midnight, the morning, or the middle of the day,
It’s the same to the miner who labors away.
Where the demons of death often come by surprise,
One fall of the slate and you’re buried alive.**

**I hope when I’m gone and the ages shall roll,
My body will blacken and turn into coal.
Then I’ll look from the door of my heavenly home,
And pity the miner a diggin’ my bones.**

DARK HOLLOW

By Bill Browning

Verse:

 1 4 1
I'd rather be in some dark hollow,
 1 4 1
Where the sun don't ever shine.
 1 3(7) 4 1
Than to be here alone, just knowing that you're gone,
 1 5 1
It would cause me to lose my mind.

Chorus:

 1 4 1
So blow your whistle, freight train,
 1 4 1
Blow it far on down the track.
 1 3(7) 4 1
I'm goin' away, I'm leavin' today,
 1 5 1
I'm goin', but I ain't comin' back

Verse:

I'd rather be in some dark hollow
Where sun don't ever shine.
Than to be in some big city,
In a small room with you on my mind.

I'd rather be in some dark hollow,
Where sun don't ever shine.
Than to see you another man's darling,
And to know that you'll never be mine.

DOWN IN THE WILLOW GARDEN

Verse:

1 1 1 6m 1 1 6m
Down in the willow garden, where me and my true love did meet,
1 1 1 6m 1 5 1
There we sat a-courtin', my true love fell off to sleep.
6m 6m 1 6m 1 1 6m
I had a bottle of burgundy wine, which my true love did not know,
1 1 1 4 1 5 1
And there I poisoned that dear little girl, down on the banks below.

Verse:

I drew my saber through her, which was a bloody knife,
I threw her in the river, which was an awful sight.
My father once had told me, that money would set me free,
If I would murder that dear little girl whose name was Rose Connelly.

Now he sits in his cabin, wiping his tear dimmed eyes,
Mourning for his only son, out on the scaffold high.
My race is run beneath the sun, the devil is waiting for me,
For I did murder that dear little girl, whose name was rose Connelly.

FIREBALL MAIL

1

Here she comes, look at her go,

5

There she goes eatin' that coal.

1

Watch her fly, look at her sail,

5

1

Let her by, by, by, fireball mail.

Verse:

Look at her go, look at her steam,

Hear her blow whistle and scream.

Like a hound dog waggin' its tail,

Dallas bound, bound, bound, fireball mail.

Engineer makin' up time,

tracks clear, look at her climb.

See that freight clear the rail,

I betcha he's late, late, late, fireball mail.

Watch her swerve, look at her sway,

Get that curve out of the way.

Watch her fly, look at her sail,

Let by, by, by, the fireball mail.

FOOTPRINTS IN THE SNOW

Verse:

1 4
Now some folk like the summertime, when they can walk about,
5 1
Strolling through the meadow green, it's pleasant there's no doubt.
4
But give me the wintertime, when the snow is on the ground,
5 1
I found her when the snow was on the ground.

Chorus:

1 5(7)
I traced her little footprints in the snow,
1
I found her little footprints in the snow.
4
Bless that happy day when Nellie lost her way,
5(7) 1
I found her when the snow was on the ground.

Verse

I went out to see her, it was a big round moon,
Her mother said, 'she just stepped out' would be returning soon.
I found her little footprints and I trace them in the snow,
I found her when the snow was on the ground.

Now she's up in heaven, she's with the angel band.
I know some day I'll meet her in that promised land.
Every time the snow falls, it brings back memories,
I found her when the snow was on the ground.

HIGH ON A MOUNTAIN by Ola Belle Campbell

Chorus

1 7(flat) 1 4
High on a mountain, wind blowing free
1 7(flat) 1
Thinking about the way things used to be.
1 7(flat) 1 4
High on a mountain, standing all alone
1 7(flat) 1
Wondering where the years of my life have flown.

Verse

1 7(flat) 1
As I looked at the valleys down below
1 7(flat) 1
they were green just as far as I could see
1 7(flat) 1 4
My memories returned, oh how my heart did yearn
1 7(flat) 1
For you and the days that used to be.

Verse

Oh, I wonder if you ever think of me
Or has time blotted out your memory
As I listen t the breeze whisper gently through the trees
I shall always cherish what you meant to me.

Verse

As I watch the sun set over yonder hill
I feel the pain in my heart linger still
As I wipe away the tears, I think of all the years
I've lived alone with just my memories

Note; last verse by stephen mangold

I AM A PILGRIM

Chorus:

1 5 1 1(7)

I am a pilgrim and a stranger

4

1

Travelin' through this wearisome land.

1(7) 4

4(7)

I've got a home in that yonder city, good Lord

1

5

1

And it's not – not made by hand.

Verses:

I've got a mother, sister, and brother,

Who have gone this way before.

I am determined to go and see them, good Lord

Over on – that other shore.

I'm goin' down to the river of Jordan,

Just to bathe my weary soul.

If I could just touch the hem of his garment, good Lord,

Then I know – he'd take me home.

I Wonder Where You Are Tonight
by Johnny Bond

1 4
Tonight I'm sad my heart is lonely
5(7) 1
Wondering if I'm wrong or right
1 4
To dream about you though you've left me
5(7) 1
I wonder where you are tonight

Chorus:

4 1
That ol' rain is cold and slowly fallin'
1 6 2 5
Upon my window pane tonight
1 4
And though your love was even colder
5 1
I wonder where you are tonight

Your heart was cold, you never loved me
Though you often said you cared
But now you've gone and found another
Someone who'll know the love we shared

Then came the dawn that day you left me
I tried to smile with all my might
But you could see the pain within me
That lingers in my heart tonight

I'LL FLY AWAY

Verse:

1

Some glad morning when this life is over,

4 1

I'll fly away.

1

To a home on God's celestial shore,

5(7) 1

I'll fly away.

Chorus:

I'll fly away, fly away, oh glory,

I'll fly away.

When I die, hallelujah, by and by,

I'll fly away.

When the shadows of this life have grown,

I'll fly away.

Like a bird from prison bars has flown,

I'll fly away.

Just a few more weary days and then,

I'll fly away.

To a land where joys shall never end,

I'll fly away.

IF I SHOULD WANDER BACK TONIGHT

By Earl Scruggs

Verse:

1 4
For many years I've been a rollin' stone my darling,
1 5
Like a gypsy I have roamed from place to place.
1 4
Fortune never came to me, but how happy I would be,
1 5(7) 1
Just to look again at your smiling face.

Chorus:

1 4
If I should wander back tonight, would you be waiting?
1 5
Would your eyes be filled with love's own tender light?
1 4
Would your arms be empty, dear, would you thrill to find me near?
1 5(7) 1
Would you love me if I wandered back tonight?

Verse:

When budding flowers lend their fragrance in the springtime,
I recall the roses twining 'round your door.
Fancy then I homeward stray, I seem to hear you say,
That you'd love as you did in days of yore.

Last night I dreamed that you and I were back together,
I held your hand so gently in my own.
Heard you say, 'we'd never part' as I pressed you to my heart,
Then I woke in tears to find myself alone.

 G G(7) C
Then you're not the one I love.

Verse:

If there's not a cow, dear, in Texas,
West Virginia ain't got no hills.
There ain't a Cherokee in Oklahoma,
And Arkansas ain't got to whippoorwills.

Chorus:

There ain't a coyote howling on the lone prairie,
There's not a city bloomin' as far as the eye can see.
And if there's not a cow, dear, in Texas,
Then you're not the one for me.

JIMMIE BROWN THE NEWSBOY

Chorus

1 **5(7)**
I sell the morning paper sir, my name is Jimmie Brown,

1
Everybody knows I'm the newsboy of the town.

5(7)
You can hear me yellin' 'Morning Star' runnin' down the street,

1
I have no hat upon my head, no shoes upon my feet.

Verse

**Never mind sir, how I look, don't look at me an frown,
I sell the morning paper sir, my name is Jimmie Brown.

I am helping mother sir, to journey on her way.
My mother always told me sir, there's nothin' in this world to
lose,
There'll be a place in heaven, sir, to sell the Gospel News.**

KENTUCKY WALTZ

1

We were waltzing one night in Kentucky,

5(7)

I see her smiling face.

1

And I long once more for her embrace,

And the beautiful Kentucky waltz.

1 4 1
Listen to the rain pat on our window pane,
5(7) 1

In our little cabin home on the hill.

Verses:

I hope you are happy tonight as your are,
But in my heart there's a longing for you still.
I just keep it there so I won't be alone,
In our little cabin home on the hill.

Now when you have come to the end of the way,
And find there's no more happiness for you.
Just let your thoughts turn back once more if you will,
To our little cabin home on the hill.

Verse:

Her mother left her as a baby
'Twas a different life than she had planned
The baby grew to be a woman,
It was then that I won her hand.

We often sang those songs together,
I watched her while she sang her part.
She smiled at me when I told her,
That she was my sweetheart.

With honeysuckle climbing 'round the door.
There's a girl up in the mountains waiting for me,

1 6m
In the state of North Dakota I met my Nellie Kane,

That I have for Nellie Kane.

She took me out to work that day and helped me till the land,
In the afternoon we planted seed, in the evening we held hands,
In the evening we held hands.

Her blue eyes told me everything that you'd want to know,
And it was then I realized that I would never go,
I would never go.

Now many years have gone by her son has grown up tall,
I became a father to him and she became my all,
She became my all.

I ain't gonna work on the farm,

Gonna lay 'round this shack 'till the mail train comes back,

And roll in my sweet baby's arms.

Now where were you last Friday night?

While I was lying in jail.

Walkin' the street with another man,

Wouldn't even go my bail.

My mother is a beauty operator,

My sister, she sews and spins,

My dad has an interest in an old cotton gin

Oh my, how the money rolls in.

I know your parents don't like me,

They showed me to the door.

If I had my life to live over,

I'd never go there anymore.

And long for your kisses in vain
A piece of stone I will use for my pillow

Let me kiss those sweet lips I love best
In heartache, you're my consolation
In sorrow, my haven of prayer

Verse 4:

And at night through the bars I will gaze at the stars
Those plans that we made were in vain
A piece of stone I will use for my pillow
While sleeping in shackles and chains

Where the mountains meet the sky.

In those hills I learned to love you,

Gonna stay there 'till I die.

WALKING SHOES

CHORUS

1

My walkin' shoes don't fit me anymore.

My walkin' shoes don't fit me anymore.

1

4

Stay on your side of town, honey, I won't be around

1

5

1

My walkin' shoes don't fit me anymore.

Verse:

It's a long way from here to over yonder,

My feet, they're getting' mighty sore.

Ain't comin' back, you made your mind to wander,

My walkin' shoes don't fit me anymore.

I'll be a long time gone from you baby,

You'll never hear me knock upon your door.

Thought you were the one but I was crazy,

My walkin' shoes don't fit me anymore.

WHISKEY BEFORE BREAKFAST

1

Well I woke up this morning before the sun could shine,

4 1 5

Took a little walk, not feeling so fine,

1

Saw two old men with a bottle between them,

4 1 5 1

And this was the song I heard them singing.

I walked right up to where they was sitting,
Couldn't believe how drunk they was getting,
I said, 'old men, you been here long?'

They said just long enough to sing this song:

Chorus

1

Lord preserve us, saints protect us,

2m 5

We've been drinking whiskey for breakfast.

1 5 4 1

Ho, Ho, Ho, Haw, Haw, Haw,

4 1 5 1

We've been drinking whiskey rye.

Verse:

Well they passed me the bottle, said, 'take a little sip.'

I took one drink, just couldn't quit.

Drank a little more and the next thing I knew,

There were three of us sitting here singing this tune.

Well one by one, everybody in town,

They all heard the rucus, they all come down,

Wasn't too long 'fore the streets were a ringing,

With the sounds of the whole town a laughing and a singing.
