Old Business

-The March treasury report was presented by Kristopher Lee Wade and approved by all.
Going forward Kris will be posting the balance sheet a week prior to our next meeting.

New Business

Website

- Include a poll in the CTBA emails to determine whether people will read a newsletter or just expand our presence on our currently established social media(FB/ IG/ Twitter) and our website to access information.
- Update the band email list
- Provide individual profiles of Pickers who could potentially create their own bands based on availability which would be transparent in the profiles. This could also increase probability of luring more bands to become members of CTBA

Sponsorship

-Austin Friends of Traditional Music approached with a request for \$1500 to sponsor an event hosted by Joe Newberry and Mike Compton in October. They would need additional funds for expenses such

as lodging and off site workshops. As per the denied motion to provide this amount, we would be willing to renegotiate a much smaller fee to show support for the event.

-The Collier's will be hosting the Kreuger Borthers at an event in October in which they are requesting \$600 to cover workshop fees for three members.

-We could potentially increase membership if there are incentives such as discounting the membership fee from the total cost of the workshop.

CTBA Board Notes

-Recapping Old Settler's 2019, the board agreed that we would like to continue having a presence at the festival and would like to discuss furthering such presence possibly through a merch collaboration and/or more visibility in 2020

- We are aiming for a JUNE 15th release date of our new (additional "GRASS" logo) which will hopefully include totes/ koozies and pins or patches. The date synchs up with two major events

(* see below)

Motion presented by Libby. Seconded by Hunter. Passed by all.

-In an effort to reduce paper use and impliment a more efficient means of getting minutes to the board, Libby will be utilizing the CTBA google drive to post minutes. Once approved by all board members, via email, Libby will then share the minutes with Jeff White to post on the website.

Motion presented by Kristopher. Seconded by Libby. Passed by all. Note: Michael was not included in the vote to avoid any conflict of interest.
