- Jon moves to approve the minutes. Lenny seconds. The motion passes.

- **Membership report**

- We have a problem when (WHEN) we reach 250...the expense from Wild Apricot will double.
- Membership is up 11% this month, 48% for the year. We did lose one business partner.
- We currently have between 185-190 total members.

- **OSMF recap**

- OSMF was successful. Cody ran the merch table all weekend, and the workshop series was well received.
- We need to pre-plan the schedule for next time.
- Bluegrass Heritage Festival happened as well, and Jon sent an e-blast.

- **Memorial Fest - t-shirt? Sound guy?**

- Jon is planning to bring his small PA and run sound that way. We will pull our resources regarding mics/cables/etc...(Jon, Julian, Lenny).
- Happening Sunday, June 5th. Jam at 1pm, duos at 3pm, Grassland at 5pm. Oskar is donating a portion of the day's sales to the CTBA.

- **Event table update**

- Will follow up with Cody

- **Merch - business cards**

- We are in the market for new business cards. Content of the card needs to be decided. Would like to have a design started by our next meeting.
- Should include a logo/url/action item encouraging people to check us out.
- We sold a ton of stickers at OSMF.
- Need to look at ordering new hats sometime in the near future. Trucker hats? Dad hats? Both?

- **Scholarship**

- We will cover room and board for Camp Bluegrass if there is a board option.
- Lenny motions to vote yes on both applications (Chris Melas/Camp Bluegrass, Kyle Kline/Artistworks). Jon seconds the motion. The motion passes with 6 votes and 5, respectively (Kyle abstains).
- We do have more scholarships available. The Artistworks scholarships are available until the end of the year.

- **Newsletter**

- We have two months until the next newsletter, so please be thinking about content. Book reviews? Album reviews?
- BUSK on Bobby Giles
- Business and/or band feature? Madrone (Natalie).

- **Band Scramble - sound guy?**

- Happening on Sunday, July 10th at Oskar Blues.
- We need a pro to run sound for this event. Should we use Oskar Blues' person, or hire our own?

- The event is a band scramble and garage sale. Jon has a lot of things to sell, as does Eddie.
- Go on Nextdoor, make a post asking for music instrument donations for the garage sale. “I work for a music non-profit, your donation is a tax write-off, etc...” We can mention the event, organization in our posts.
- **Julian is on KOOP! and will be for the foreseeable future.**
- **Jon calls the meeting to a close at 7:55 PM**
